OLD BUSINESS

Common Area Improvements- Tennis/Basketball Court: Drew acquired one quote and is waiting for another. Damage was done in the playground area to the fence. We have to consider replacing the planks due to the spray paint damage that was covered up. We will get various quotes for an iron fence, board replacements, painting, and chain link fence to consider due to the repeated damage that is being done.

2013 Pool Season – The 2013 Pool usage will be reviewed next year to see if any changes should be made to the pool hours in 2014. The pool information is inconclusive abased on the information that was provided from the Pool Management Company. We will advise pool management that they must complete the entry logs daily so we can determine usage. Drew has contacted the pool service and they advise that the pool is under warranty and will be inspected when the weather improves.
