2008 Budget/Assessment Rate

During the Board meeting on September 13, the draft version of the 2008 budget was presented. Expenses continue to rise each year for the utilities, security fees and insurance premiums to list a few. The board reviewed the budget and approved to leave the 2008 assessment rate at the current rate of \$325.00 The Board will continue to review all expenses to see if there is any way to reduce cost without impacting our community. The Board acknowledged that if cost continued to rise that assessments would have to increase in 2009. The Board will review with residents all options that might be available at the Annual Homeowners Meeting in February 2008.

Making An Improvement ? - Have you completed an ACC Form ?
